RE: H.B. 6355  
An Act Concerning Risk Protection Orders or Warrants

Dear Committee Members,

I am in *opposition* of H.B. 6355

There is already a “Red Flag” law in place which accomplishes the same thing. It’s time to start enforcing the laws we already have and stop intruding on law abiding citizens constitutional rights.

*I urge you to oppose this bill.*

Thank you for taking the time to ready my testimony.
